

The Aspiration That Endures

The Group Mission

The mission of the Abad Group is to be the largest, most respected and renowned group of companies in the service-provision industry, in the region. Our companies will continue to complement each other and excel in their specialized areas, with a shared vision. We are committed to providing quality services and products to our customers, and building long lasting relationships with all our clients-both in public and private organizations. We will also continue to provide a stable employment environment for our staff, and maintain a reasonable balance between risk, honesty, and profitability

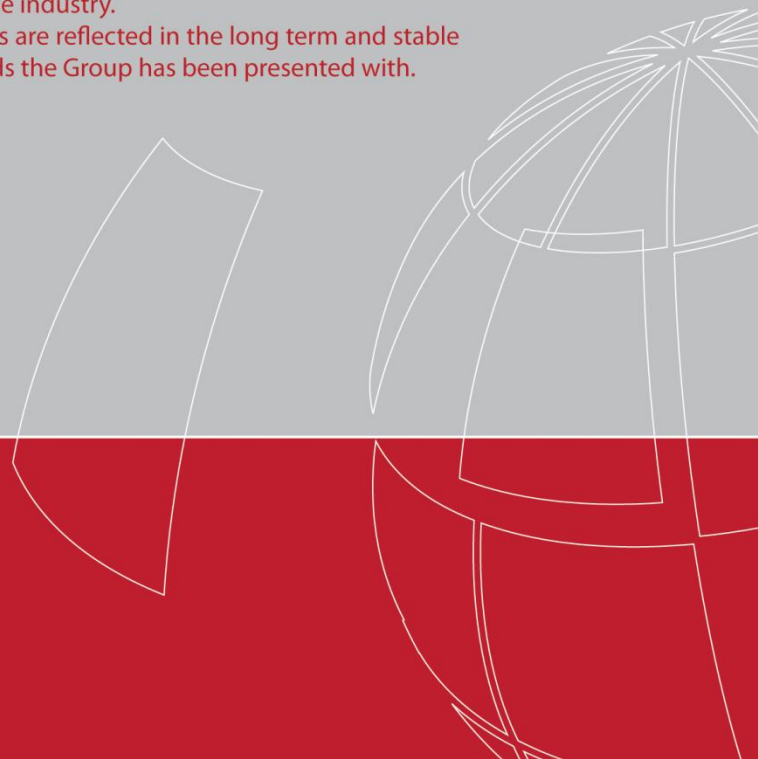

Our Leadership

With a determined will and far sighted vision, Mr. Sayed Ali Abad, the Founder & Chairman of Abad Group single handedly led his team to establishment of this successful and highly diversified group of companies providing services in construction, manufacturing, trade and service industries.

Never losing sight of its earliest vision and with an unwavering commitment, the Abad Group has grown to provide a complete range of services to its clients under one roof. Hence from an initial road construction business over sixteen years ago, today we have expanded to include seven companies that are spread in Asia and the USA.

Under Mr. Abad's dynamic Leadership, several years of hard work, dedication, and a passion to build further and better, the Abad Group is confidently stepping into the competitive international market. With a work culture that is people-focused, we are known for delivering excellence in the ever-growing and competitive service industry.

With branches in UAE, Iran and USA, our achievements are reflected in the long term and stable relationships with clients, and in the prestigious awards the Group has been presented with.

The Following Is A Snapshot Of Our Companies:

- **RAD Int. Road Construction (UAE):** Is an approved road contractor of Dubai Municipality and RTA for road work and related activities.
- **RAD Int. Asphalt Factory (UAE):** The Asphalt Factory provides high quality Asphalt which meets the specifications of Dubai Central Laboratory (DCL), Dubai Municipality and Road and Transport Authority (RTA).
- **Emirates Technical Laboratory (UAE):** Our in-house laboratory is equipped with highly technical, state-of-the art facilities to ensure quality assurance before and after completion of a job.
- **RAD Int. Heavy Equipment And Workshop (UAE):** Is specialized in all types of construction equipment hiring and sales, and has built long term and stable business relationships through its trading services. To ensure that we reach maximum production in a safe environment, also our Workshop takes care of all types of equipment maintenance needs.

- **Better Home Health Care (USA):** Company provides medical treatment to those in need of utmost care at their residences. The services are in accord with the highest standards and guidelines set by United States medical authorities.

- **Anis Teb Pouya (IRAN):** A medical company specialized in arthroplasty products including knee and hip prosthesis which all of them are characterized by high quality and excellent workmanship.

Message From The Chairman

"With God's blessings, the Abad Group's continuous success has taken it to new heights and given us the confidence to step into the international market. I am proud to say that we aspire to be 'market Leaders' in all the regions where we have presence. The Abad Group's achievements reflect our values of reliability, pursuit of excellence, accountability, and flexibility.

We believe our wide-ranging experience, highly qualified and skilled team, state of the art technology, and our mission to leave each project with a satisfied client, will realize this vision. Our core values are integral for building the character of our workforce and our companies. Moreover, we take pride in building quality projects for our customers, as well as fulfilling careers for our employees. Our Strategy reflects our Vision: with our trust in God, we will continue to build on our expertise, diversity of experience, and our ever-growing client-base, and be the global leaders in the service provision industry.
